(DRAFT)SMPD Flock LPR Move requests (011422).xlsx

Commander Cohen,
Attached are draft version of the spreadsheets that I'll generate showing the 7 suggested moves and the 104 New cameras to be added. With our other 24 cameras that I'm not moving around, this will bring our total cameras to 135.
(the spreadsheets originally had lat/long info also, but I removed it for now)
Michelle said she should be able to automatically have the correct lat/long attached to each of our suggested locations. As soon as that is done, I'll export the final spreadsheets and include the lat/long info.

Let me know what you think.

Michelle, thank you for all your help!
